

"Barney" Hilton Mourned By City

A chapter in the police history of Daly City was closed, Friday, with the death of one of this community's earliest residents and most highly esteemed citizens, Lieutenant Arthur L. "Barney" Hilton.

Ending a long illness, "Barney" Hilton's passing was mourned by the large majority of Daly City residents who knew him and were endeared to him. His service of 26 years with the Daly City Police department made for him a host of friends, not only in Daly City, but in San Francisco, and all of San Mateo county and the Peninsula, wherever he was known. During his last two years of active service with the department, from 1938 to 1940, he was police chief.

In 1940, he was elected president of the Peninsula Police Officers' association and served in that capacity until his death. He made his home at 162 Crocker avenue. "Barney" was 68 years old at the time of his death and had been a resident of Daly City for over thirty years. He was a native of San Francisco. He is survived by his wife, Mrs. Annie E. Hilton, and two brothers, Edward and Walter Hilton.

Soon after his arrival in this community, he was sworn in as a member of the Daly City Police department. He not only continued to serve Daly City's law enforcing body over a period of 26 years, but "Barney" was instrumental in the virtual maintenance of the department all during his career. In the earlier years, when the police department was still in its formative stages, "Barney" gained the distinction of being the first night officer. This came about when the department first went on a night duty basis. Prior to that time the city was patrolled by law marshalls.

A noteworthy aspect of "Barney's" colorful career is the fact (Continued on Page 2)

Curtail Recreation Plans Due To War

Curtailment of recreational activities in Daly City in favor of war industrial plants and service men centers has reduced the payroll of the Daly City WPA Recreation department to two leaders, it was announced by County Supervisor Arthur Ryan this week.

Mrs. Lela Campbell and Mrs. Beatrice Wiltsie are now the only two leaders working for the local department, and Jefferson Union high school is the lone center now operating. Gymnasium classes, held for the public from 7:30 p. m. to 9:30 p. m. at the high school gymnasium, represents activity there.

"Although Daly City is not a war industrial center," Ryan said, "there is some soldier participation at the high school. How long we will continue to keep that center open is still indefinite."

Gaiety of Mardi Gras Will Be Present When Festival Opens Tomorrow Evening

All the gaiety of a New Orleans Mardi Gras will be present tomorrow night at 8 p. m. when the Annual Fall Festival of Our Lady of Perpetual Help church parish opens at the H. H. Smith Lumber yard, 2 Hillside boulevard.

Music and games, dining and dancing—all will be featured in a round of fun that will last over the entire week-end. The gay bazaar will continue on Saturday and Sunday afternoons and evenings. Carnival booths, each with its own novelty for the enjoyment of all who attend, line the interior of the lumber yard building. The three day fun festival is open to the general public. Tickets may be purchased from any committee member or from the parish house,

60 Wellington avenue. On Saturday night, the bazaar will feature Halloween with all its tradition. Free dancing will be a headliner on the entertainment, opening night. Musical entertainment will also be featured Saturday night. On Sunday afternoon, the Daly City Band, conducted by George Brenner, will present a band concert.

Dinners will be prepared and served by the Mothers club of the parish. Many inviting dishes will be served. Enchiladas will be served on Friday and Saturday, and corn beef is on the menu for Sunday's dinner.

Featuring the games of the three day festival is the novel clock winding contest. A clock is (Continued on Page 2)

Jeff High Plans Nov. 10 Open House

Public Schools Week will be observed throughout the nation during the week of November 2.

Jefferson Union high school has set aside next Tuesday evening, November 10, as the time to hold open house and to extend a warm invitation to every mother and father who has a student attending Jeff, to come.

An opportunity will be given the parents to meet the various instructors. From 7 to 8 p. m., the teachers will be in their respective rooms, ready to greet and chat with the visitors.

At 8 p. m., a special program will be presented in the auditorium. Students from the public speaking department will conduct a panel discussion on "Motion Pictures and Youth".

The principal speaker on the program will be Howard McDonald, director of personnel in the San Francisco schools. Music students will provide the music for the occasion.

More Men Off For Army Service

Final physical examinations before service with the army were taken by 81 selectees from the Daly City Draft Board No. 103, Tuesday, at induction ceremonies in San Francisco. The group included 23 men whose homes are in Daly City and three from Colma.

Papers have not yet been returned to the local draft office. Consequently, it is not definite which ones passed the examination and will leave for army duty. Men also included in this call were residents of South San Francisco, Brisbane, San Francisco, Half Moon Bay, Bayshore, and Sharp Park. Also included were a few transfers.

Although the list included their names, three youths among the group have already enlisted in the service. They are: George Shinazy, School street, Colma, Edwin Cranford Sawtelle, and John Fignane, Colma.

Wendell Eugene Rick of San Francisco was selected as leader of the contingent during induction. He was assisted by William Albert Wallace, 683 Templeton avenue, and William Thomas Robinson, 177 Oliver street.

Daly City men who reported for induction were: Harold Alexander Hutchings, 138 Vista avenue; John Theodore Lozano, 21 Risel street; Peter Andrew Boyle, 400 Willits street; George Pavlogianis, 27 Hillcrest drive; Fordyce Lawrence Jones, 345 Westlake avenue; Henry Jack Hartman, 51 West Cavour street; Charles Dan- (Continued on Page 5)

Council To Pass Dimout Ordinance

Although the city council took action, Monday night, in passing an emergency dimout ordinance (one which is being uniformly adopted by California cities in the army's zone of restricted lighting), action of the Daly City board was nullified, Tuesday.

The passing of the ordinance was postponed after F. E. Hoffman, city attorney, learned Tuesday that an emergency ordinance must pass by at least four-fifths majority. Councilmen Edmund Cavnaro and Hugh Smith jr. were absent from Monday's meeting, leaving only a three-fifths vote. A special meeting is expected to be called to pass the ordinance. The measure authorizes a \$300 fine, or 90 days imprisonment, or both for anyone who violates the ordinance. It provides for the enforcement of keeping all unnecessary lighting extinguished in Daly City, which is described as "an area generally visible from the sea".

Another wartime issue found a place in the business of the council when a local person in possession of a signed petition, asked for council action regarding setting up a rationing board in Daly City. Petitioners who signed the statement objected to travelling to South San Francisco to get permits to buy rationed goods. However, the city council declined to take any action on the matter, Monday, other than to refer it to City Attorney Hoffman for county investigation. County rationing (Continued on Page 6)

Preston MacCormac Now Sergeant-Major

Promotion of Preston G. MacCormac, 531 San Diego avenue, to the rank of Sergeant-Major in the U. S. Marine Corps after 14 years of service was announced today by Marine headquarters.

The Daly City man, now stationed at the Department of Pacific Marine headquarters in San Francisco, has been at his present station for the last 10 years. Enlisting in 1928, Sergeant-Major MacCormac was promoted in the ranks to his present highest non-commissioned rank.

He served aboard the U. S. S. Tennessee for two years and in the second Nicaraguan campaign before going to Mare Island, and then to San Francisco.

His wife, Mrs. Bessie Louise MacCormac, and their two children, Jackie and Barbara, reside in Daly City.

THEY TRUST YOU!

(Editorial)

All over the world American boys are meeting death, bravely, to preserve the freedom of the United States. They are counting on you, here at home, to keep their nation free and democratic.

One of your primary duties as a free citizen of a free country is to use your privilege of voting for candidates and measures which affect the welfare of your city, county, state, and nation.

This year, of all years, every voter should go to the polls. The boys at the front are expecting you to make democracy work. Don't fail them!

November 3 is election day. See that you get to the polls and vote just as intelligently and as sincerely as you possibly can. Anything less is a betrayal of trust.

Invite Local Voters To Meet Earl Warren

Daly City and Colma voters will have an opportunity to hear Earl Warren, non-partisan candidate for governor, on Monday when he will speak in Daly City.

Warren will appear at a luncheon meeting, Monday, at 12:15 p. m. at Shorty Roberts' Drive-In, (formerly Ye Olde Colonial), at Junipero Serra boulevard, opposite San Pedro road, Colma. Mayor A. J. Gaggero of Daly City will introduce the candidate for governor. The public is invited to attend.

Those who wish to be present at the luncheon are advised to make reservations early by calling Shorty Roberts' Drive-In, ElkrIDGE 3000. However, those who cannot attend the luncheon may meet Warren there after the luncheon.

Washington Delays Application Blanks

Although gasoline rationing application blanks were supposed to be issued, Tuesday, to all motorists, the War Price and Rationing Board No. 31-4 in South San Francisco announced, yesterday, that the blanks have been delayed in Washington.

"They haven't left Washington from the national OPA office yet," said Mrs. C. F. Day, executive secretary of the board. "However, as soon as they arrive they will be distributed at places where motorists can pick them up."

In Daly City, as in all other communities, the blanks can be obtained by motorists at the local post office and at designated service stations. Although it is still indefinite when they will be ready, it will probably be some time next week, since registration for the basic "A" coupon books will be held in the schools, Monday, Tuesday, and Wednesday, November 9, 10, and 11.

The schools where the registration will be held in Daly City have (Continued on Page 5)

SUNDAY BASEBALL

A baseball game between two service teams will be offered to local fans at Marchbank field, Sunday at 2 p. m., it was announced, yesterday, by Ed Cavnaro, city recreation official.

The public is invited to attend the game, sponsored by the San Francisco Recreation department.

NO KIDS' PARTY

There will be no public Halloween party, this year, for Daly City children. In former years, the Daly City WPA Recreation department has sponsored this annual event.

However, curtailment of recreational activities because of the war prevents the event from being held, this year.

Simulated Attack Set For Tonight

Enemy bombs blasting in Daly City streets, incendiary fires raging in local buildings and homes, and all the terrors that were London's in the days of the Nazi raids over that city will be simulated here tonight in a mass air raid drill of Daly City's civilian defense army.

Ordered by the Office of Civilian Defense for all California cities for an inspection tour, the drill tonight is Daly City's chance to show their wares before army and OCD officials, Arthur J. Bodien, local civilian defense director announced. All will be present to watch the local demonstration with a critical eye. A drill is scheduled for each California city on different nights, Bodien explained.

Tonight's drill will begin at 7:30 p. m. when fabricated incidents will flash across the control board in the city hall, calling out each (Continued on Page 5)

Jeff Indians To Play Palo Alto

Jefferson high's Indians will be gunning for their second PAL victory, to keep their conference record clean, tomorrow afternoon at 3:15 p. m. when they meet Palo Alto high school at Jefferson field.

Spirited after their win over the Burlingame Panthers two weeks ago in the first conference tilt, the Jeffs are all set to take Palo Alto into camp tomorrow. The Indians defeated Burlingame for the first time since 1938 with a 7 to 0 victory.

Coach Glenn South, Jefferson coach, has a tentative starting lineup of the following: Steele and Capps, ends; Faulk and Vaughn, tackles; Fellows and Nelson, guards; Ekers, center; Van Kirk, quarterback; Borg and Freeman, halfbacks; and Picchi, fullback.

Are Your Tin Cans In The Fight?

"There are more tin cans from Daly City going into the garbage cans than into the detinning plant for salvage," R. J. Crane jr., local salvage chairman, said of Daly City's tin can drive, this week.

In furthering the local tin can drive, Crane asked all housekeepers to give the tin cans to grammar school children for salvaging rather than throwing them away. The national shortage of tin is critically endangering war production, Crane pointed out, just as other metal shortages in America are today. Because of this shortage, it is necessary for every housewife to do her part by giving every tin can used to the grammar (Continued on Page 5)

Daly City Department Brings Fire At Central Creamery Under Fast Control

Far-reaching flames threatened an entire Mission street business block, Sunday morning, when a powerful blaze from a gas cooker soared upward burning part of the roof of Central Creamery, 6331 Mission street, but Daly City firemen had the fire under control in five minutes.

The fire started when the flames of a gas cooker in the creamery set off cooking grease and traveled up the chimney flue. Only the janitor, who was working up in front of the building, was in the creamery when the blaze started. Al Pulley, proprietor, had opened up the place a few minutes before,

turned the gas cooker on, and stepped out of the building. The janitor was working in front, facing the other way, and the fire began un-noticed until Pulley returned. By that time, flames were enveloping the ceiling of the building.

Three companies of the Daly City Fire department, 1, 2, and 4, answered the alarm and lines were laid from the booster pumps, two on the roof of the building and one inside.

Pulley had high praise for the quick work of the fire department, (Continued on Page 3)

Crawford, Douglas Star In Gay Film

Joan Crawford, returning to the type of romantic comedy characterization which led to her original success, joyfully returns to the Daly City theatre in Columbia's "They All Kissed the Bride," a tender and warmly human love story with Melvyn Douglas delightfully co-starred. Alexander Hall directed the film, whose stellar cast includes Roland Young, Billie Burke and Allen Jenkins.

"They All Kissed the Bride," current attraction at the Daly City, presents Miss Crawford as a million dollar doll who toys with love, until she discovers she's playing with fire; Douglas is seen as the gentleman who believes there's nothing wrong with a woman that a man's lips won't cure. Told in delightful comedy under the expert direction of the maker of "Here Comes Mr. Jordan," the new Columbia film is a happy combination of rapturous romance and giddy gaiety, with neither dominating and both merging into one glorious entertainment whole.

Douglas and Miss Crawford effectively prove that love is a funny thing, so funny that it will make local theatre audiences want to cry a little and causes them to laugh a great deal more than usual. For "They All Kissed the Bride" is one of those rare motion pictures, in which a gay gallery of grand people move dizzily through a romance to remember. In addition to the stars, Roland Young appears as a lawyer who prefers to practice on women; Billie Burke is seen as a delirious dowager, and Allen Jenkins again portrays a rough diamond who cuts a smooth rug!

Roy Thompson and Eugene Lynch are co-chairmen of the festival this year and are managing all affairs. A general committee works under them, and a committee member or a pair of members are in charge of each booth. Following are in charge of their respective booths: F. Bricken and C. Rengstorff, "Dodge 'em" booth; Mrs. Tony Parmisano, Mrs. F. Klinger, and Mrs. Roy Thompson, cake booth, sponsored by the Mothers club; S. Watt and Bob Byrne, bingo; Tom Tallon and F. Klinger, ham and bacon; Mrs. Mel Battye and school children, fish pond; Mrs. D. Kelly, darts and balloons; Mothers club, refreshments; Mrs. A. Musante, dinner booth, sponsored by the Mothers club; Mrs. William Nassano, prize booth; and Eugene Lynch and Tony Parmisano, games booth. Booths were built by Pete Kelly and Ernie Cuneo.

that every police officer now serving on the force, from Chief James G. Reardon on down, is a protege of "Barney's". Every officer was broken in by "Barney". Tall and stately, "Barney" set a perfect example to the officers under him and to the community's young and old alike. He was noted for a keen sense of humor, a sharp wit, and an understanding of his fellow men.

"Barney's" service to Daly City was not limited to the Daly City Police department, however. He was also a member of the Daly City Fire department, having also served as fire chief during this period.

Funeral services were held, Monday afternoon, from the W. C. Lasswell Mortuary, 6154 Mission street, and interment took place at Mt. Olivet cemetery, Colma. This was preceded, Sunday evening, by special services at the mortuary conducted by the Daly City Veteran Firemen's association. Following were active pallbearers at the funeral: Police Chief Reardon, Sergeant W. W. Sunderland, Officer Ed Heim, Fire Chief A. P. Chesney, Assistant Fire Chief A. J. Bodien, and N. Foppiano. Honorary pallbearers were members of the Daly City

"That fire department really showed speed," declared Pulley. "The first truck was here three minutes after I phoned in the alarm. I never saw such quick work, and they didn't lose any time after they got here either!"

Until the insurance adjusters had a chance to make an investigation, Pulley said the damage would not be known.

FRED HOUSER SEEKS LIEUTENANT GOVERNOR POST

Fred Houser for Lieutenant Governor headquarters today branded Ellis E. Patterson a "political chameleon" pointing out that in 1940 Patterson headed a ticket in opposition to the renomination of President Roosevelt while today he appears as a Roosevelt supporter for whatever "vote-catching" advantage it will bring the Olson-Patterson machine.

"Olson and Patterson are today posing as prophets," Carlyle Lynton, Houser's campaign manager, said.

"They would have the voters believe they were always in the forefront in support of Roosevelt's policies.

"Nothing is further from the

truth. The Patterson slate of 1940 was in direct opposition to Roosevelt. Indeed, a circular, which they printed and broadcast throughout the State, ridiculed the increases in Roosevelt's defense appropriations and charged that Sumner Welles of the State Department was a 'secret errand boy.'"

Citizen Committee Seeks Defeat Of Proposition 1

The Citizens Committee for the Four Freedoms, waging an intensive campaign for the defeat of Proposition No. 1 on the November ballot urges an overwhelming "NO" vote. As the fight against Proposition No. 1 develops with greater fury, it becomes more strikingly evident that the issue is Democracy versus Totalitarianism. Backers of the bill have yet to offer any proof whatsoever that this is not true, and that this is the conviction of every alert, freedom-loving citizen in California is being demonstrated by the entrance into the fight against Proposition No. 1 of members of the clergy, civic leaders, club women, professional people, and even employers, say opponents of No. 1.

"It has long been a common practice on the part of the strategists of Minority Rule to break up the people into many segments, and then to initiate moves against that part which in their opinion is unpopular and against which the rest of the population can be

mobilized. Therefore, figuring quite correctly at the time and from their standpoint, these minions of Dictatorship cleverly and ruthlessly quarterbacked the Slave Bill through the Legislature so as to protect the interests of the privileged people in this state," stated those leading the campaign against Proposition No. 1.

"In reality, and stripping the whole question right down to the bone, Proposition No. 1 would protect monopoly and foster procedures which would be counter to the interests of the consumers of this state. In no imaginable shape or form could the consumers of California—and after all, they are the people—benefit from this measure. On the contrary, they would be the very ones to suffer most if it became a law," the spokesman concluded.

MacArthur Thanks Campaign Supporters

Winding up his campaign for the office of tax collector of San Mateo county, Ralph C. MacArthur, Burlingame, expressed his sincere appreciation to the men and women of the county who have so actively supported his candidacy. Especially is he grateful for the efforts of the women's groups supporting his election.

The entire campaign has been conducted upon a high standard, and he bases his claim to the office upon the fact that experience and training fit him well for the post. He pointed out that the office of tax collector is an important one in county governmental affairs, because unless the tax collector is efficient and capable the operation of county government will suffer.

"This has been a pleasant campaign, and I am grateful to have had the opportunity to renew old acquaintances, and make new ones during my travels about the county. No matter what the outcome of this election, I shall always be deeply grateful for the fine display of cooperation accorded me in my campaign, and the impressive reception my candidacy has received in every part of the county."

U. S. WEBB ENDORSES SENATOR ROBERT KENNY

U. S. Webb, for 36 years attorney general of California, today reiterated his endorsement of Senator Robert W. Kenny as the successor to Earl Warren.

In a public endorsement, Webb, a Republican, pointed out that during his nine terms of office he had operated with strict non-partisanship.

He declared that political affiliation should not be a matter of concern to voters, assuring them that Kenny would maintain "fair, honest and efficient service to all classes", as attorney general.

"Senator Kenny's civic activities have been wide and noteworthy, and in every field he has shown the highest type of citizenship," Webb asserted. "As a capable and efficient lawyer he has the capacity to deal with the varied and intricate duties of office."

He noted Kenny's efficient service as deputy county counsel, his scrupulous judicial temperament as municipal and superior court judge, and his outstanding record as state senator and Economic Planning committee chairman which won him the War Production Board medal of achievement for his work on behalf of the war effort.

"All of these things show that if elected to office, Senator Kenny will ably and unselfishly discharge not only its peacetime duties, but with judgment and discretion meet added wartime responsibilities," Webb added.

school children in the block where she lives. Children will come to the door to collect it each week. Before giving it to them the cans should be prepared for detinning in the following manner:

1. Remove paper wrapping from the can.
2. Cut both ends of the can open leaving a flap on both ends.
3. Wash the cans thoroughly by running water through them.
4. Bend the flaps inside the can and flatten them by stepping on them.

Each week the Record is giving the names of the grammar schools' official tin salvage officers according to district so that housewives will know who is the tin collector in their block. Last week the names of tin collectors in the Crocker district were given. Those who are collecting tin from homes in the Jefferson district are as follows: Jeanette Ramer, Marie Horkey, and Aldo Canepa, Mission, Cavour, Bruno avenue, and Garibaldi streets; Jack Orvitz and Robert Donahue, West Moltke and East Moltke streets; Louis Merlo and Gordon de Leon, School and Vale streets; George Ricconi and Robert Griffin, Market street; Leland Micheletti, Louis Merlo, and Gordon deLeon, Werner avenue; Stella Maffei, June Armanino, and Eleanor Figone, Station avenue; Anita Richhardt and Ada Johnson, Golden Gate Auto court; Jean Puccinelli, Mary Ann Bartels, Lorraine Va Linder, Washington and Annie streets; Paul Willbanks, Eighty-eighth and Sullivan streets; Marles Eberle, Taylor and Valley streets; Betty Zraggen, Wyoming, Bryant, and Abbey streets; Martha Standridge, Bismark street; Estelle Parodi, and Doris Parodi, East Cavour street; Phyllis Lane and Patricia Bannon, "E" and "D" streets; John Olcese, Augustus street; Richard Chelone and Harold Varni, Alemany boulevard; Albert Tegla, Raymond Settrini, and Claire Molloy, Collins avenue; James Giannini and Joseph Heinze, Mateo avenue; and Archie and Rodrick Knob, Hillside boulevard.

not yet been named, but it was assumed that they would be designated at a meeting of San Mateo county principals and school officials held in Burlingame this week.

When the motorist registers for the basic book, it will be necessary for him to have in his possession the application blank filled out, the registration card or "white slip" of the vehicle for which he is applying, and the serial numbers of the five tires on the car.

All car owners when registering next month will receive "A" coupon books, which will entitle them to travel 240 miles a month at the rate of fifteen miles to a gallon of gasoline. Ninety miles of this is allowed for family use or pleasure driving, while the other 150 miles is allotted to occupational driving.

If the 150 miles isn't enough for the applicant to drive to and from work, he may apply for a supplemental ration known as "B" coupon book. If he can prove that he needs the "B" book and it is issued, it will provide him with 320 miles additional, which, combined with an "A" book, would give the motorist a total of 560 miles a month—470 for occupational purposes and 90 miles for family use. However, to get the added allotment, he must prove that there is no other adequate means of transportation to and from work.

STATE NO. 6

Unqualified support of Proposition 6 on the November ballot, reorganizing the State Board of Forestry, has been given by virtually all organizations of California which are concerned with forestry development, and with recreational uses of the forests.

The measure, Senate Constitutional Amendment 6, was adopted by the last session of the Legislature by more than the necessary two-thirds vote. It provides for a strong seven-member board of forestry.

civilian defense service and all local volunteers. Twenty incidents, prepared by Eugene Lynch, local communications officer, and Howard L. McHugh, control board officer, will send equipment and volunteers of Daly City into action before national authorities.

The incidents have been prepared in much secrecy and placed into sealed envelopes. Not even the Civilian Defense Council will know what the incidents will be, and the envelopes will not be opened until the start of the drill. In addition to these incidents, army officers who specialize in civilian defense have "cooked up" a few of their own which will be sprung on Daly City volunteers tonight.

Varying from previous air raid drills held here during the progress of the civilian defense organization, tonight's demonstration is scheduled to proceed under the clocklike precision set up by the army. The drill will begin at exactly 7:30 p. m.

"This doesn't mean 7:35 p. m. or a quarter to eight," Bodien said, "but it means the incidents will begin at 7:30 p. m. sharp, and any sector or individual who isn't ready will be out of luck."

Promptly at 8:30 p. m. the drill will stop, after which all civilian defense volunteers participating will report to the Jefferson Union high school auditorium where the national authorities will "take it apart", telling everything wrong with the drill and possibly a few favorable comments, if the local civilian defense army warrants them.

After 45 minutes of the meeting at the high school, the army and OCD men will go to the civilian defense headquarters in the city hall where the Civilian Defense Council and control board personnel will receive a lecture with suggested improvements and new rules.

DEMOCRATIC RALLY BEHIND WARREN GROWS

Four Hundred Thousand Bourbon Votes At Primary Will Show Huge General Election Gain

Attorney General's Strength On Increase As Day For Final Decision Of Voters Nears

The phenomenal primary support of regular Democrats—nearly a half-million of them, according to official tabulation—given Earl Warren, the non-partisan candidate for Governor, promises to mount to an even higher figure at the November general election, present trends indicate.

Democrats in every section of the State have joined the Warren march to the war-time governorship of California under the banner, "Leadership—not Politics!"

Warren has pledged full co-operation with President Roosevelt in his win-the-war efforts, and Warren Democrats everywhere point out that the President has himself set an example of non-partisan executive leadership in naming many men of the opposite party to positions of responsibility in his administration.

Gordon H. Garland, Democratic leader and Speaker of the State Assembly, is one of the keynoters urging the election of Earl Warren, as also is Henry Meehan, 10 years a member of the State Assembly, and former Democratic speaker pro-tem of the Lower House. Meehan says:

"Democrats, in electing Warren, will be naming as Governor a better Democrat than his opponent, because Earl Warren's record in public office is one of steadfast adherence to the fundamental principles of the Democratic form of government on which this country was founded."

John J. Fahey, Jr. On His Qualifications

"Yes" On 6 Means Civil Service Setup

Proposition No. 6, the proposed charter amendment to establish civil service for San Mateo county employees, has no connection with five other charter amendments appearing on the November 3 general election ballot, according to a statement issued today by the campaign committee of the County Employees' association.

To the end of correcting any misleading impression, the committee pointed out that Proposition No. 6 was placed on the ballot by an initiative petition signed by more than 7000 electors representative of the entire county. They included business leaders, county elective officials, leaders of tax saving organizations, labor and civic leaders, all of whom signed the petition because they believe that its adoption will mean stabilization of county government and elimination of the patronage system.

In urging a "Yes" vote on Proposition No. 6 next Tuesday, the campaign committee called attention of electors to the fact that the merit system is long established in the United States. The state government and at least four municipal governments in this county have adopted the merit system of employment.

This county's employees, because they are public employees, cannot benefit from social security, old age pensions or unemployment insurance. They feel they are entitled to equal protection. Under the existing system it matters not how efficient they may be in their respective jobs, for continued employment in a public position depends on political choice.

The amendment would create a civil service commission whose duty it would be to engage the state personnel board to provide and conduct all examinations and furnish lists of eligible persons for all classes of employees. This commission would recommend standard salary schedules for classified employees and, within a year following the effective date of the amendment, there shall be provided a retirement system for county employees.

All qualified persons employed for a stated period preceding the effective date will be deemed permanent employees. But employees selected by examinations must serve a probationary period before being permanently employed. Other provisions provide for suspension, demotion or dismissal for reasonable cause, and govern employees' political activities.

COUNCIL

(Continued from Page 1)

officials' viewpoints will be heard before any action is taken.

A ten per cent salary deduction for war bond purchases from city employees was discussed at the meeting. A. J. Bodien, president of the Daly City Employees' association told the council that the employees would like first to see if any general deduction from employees' salaries in the nation would be made for war bonds.

On a motion by Councilman Eugene V. Lynch, the meeting was adjourned with a special tribute paid to the late Lieutenant Arthur L. "Barney" Hilton, former police chief, who died, Friday.

"JOIN THE NAVY"

"Never in all history has the call for defenders of freedom been so urgent as at this moment.

"Brave men are needed—stouthearted men—men who would rather fight to stay free than live to be slaves.

"If that's the way you feel about it, your place right now is with the Navy—your Navy—in America's first line of attack—shoulder to shoulder with the red-blooded men of action who are determined to defeat the Axis, who are not only remembering Pearl Harbor but are doing something about it.

"There's a big job to be done. There's a big opportunity for the men who do it."

Secretary of the Navy.

Ferguson Attends L. A. Conference

James Ferguson, principal and superintendent of Jefferson Union high school, attended the annual conference of California city, county and district superintendents of school, last week, in Los Angeles.

The keynote of the convention, which was called by State Superintendent Walter Dexter, was "Preparedness". Students should be prepared not only for the winning of the war, but also for facing the issues and problems that will come in the post-war period, insisted leading educators.

Among the speakers were officers of the Army and Navy who made strong pleas for a broad fundamental educational program as necessary preparation for service in the armed forces.

In addition to the great importance placed on mathematics, science, and English, the officers

Lions Win First Round In Series

A ferocious band of Daly City-Colma Lions growled and took the city council bowlers into camp in an all-star series, Friday, at the Sport Center in San Francisco by a score of 3 to 0.

The city fathers put up a stout battle but never gave the Lions any trouble in either of the three lines played. Brother Dick Crane of the Lions rolled the high game of the night with a 201, while Brother Bert Meritt knocked out a 490 total for the high series.

The council played without the service of Councilman Hugh Smith jr., who is at home with a case of mumps. Bowling in his place for the city fathers was "Councilman" Doc Olsen, although it was indicated that he will not vote on any ordinances or sit in at council meetings during Councilman Smith's absence. Nevertheless, "Doc" turned in a 486 series for the council. Of the council proper, Jack Fahey, leadoff man, was high scorer with a 302 series.

But the affair started something. Now the Board of Fire Commissioners has challenged the city council to a series with the winner meeting the Lions.

stressed the duty of the schools in helping to make all of the students physically fit. The first requirement in this respect was that of swimming. Ferguson stated that he felt proud of the work that has already been done along this line at Jefferson.

YES ON 6

LET'S BE FAIR . . .

Nearly 8000 FAIR MINDED MEN AND WOMEN signed the initiative petition which placed on the November 3 ballot PROPOSITION NO. 6, the Civil Service Amendment.

The signers of that petition were a cross section of San Mateo County's electorate. They came from the ranks of businessmen, county officials, commuters, laboring men, housewives, members of civic clubs and tax saving organizations.

They realized that our county employees are now working under the OBSOLETE PATRONAGE SYSTEM and that such a system must be completely eliminated from our county government and replaced with a MERIT SYSTEM. Civil Service provided that MERIT SYSTEM.

You, as a taxpayer and a voter, will feel as did those nearly 8000 petition signers when you realize that:

No matter how efficient or faithful a county employee in your county system may be, he or she CAN BE DISMISSED WITHOUT CAUSE OR REASON AND WITHOUT A HEARING.

When old age makes further employment in county service prohibitive, the county employee is TURNED OUT WITHOUT THE COMMON STATE AND FEDERAL BENEFITS ENJOYED BY MOST PERSONS IN PRIVATE INDUSTRY.

BECAUSE THEY ARE PUBLIC EMPLOYEES . . . OUR COUNTY EMPLOYEES DO NOT BENEFIT FROM SOCIAL SECURITY OR UNEMPLOYMENT INSURANCE.

Several of OUR OWN SAN MATEO COUNTY CITIES HAVE ADOPTED CIVIL SERVICE FOR THEIR EMPLOYEES.

Adoption by the voters of PROPOSITION NO. 6 would eliminate our present patronage system and stabilize county government.

Adoption of this Merit System means that so long as the county employee is giving the taxpayer EFFICIENCY ON THE JOB, he or she will remain on the job.

Should there be cause for demotion, suspension or dismissal an employee has the right to a hearing in such a case before A NON-POLITICAL CIVIL SERVICE COMMISSION.

A retirement system is provided for county employees which becomes effective one year following adoption of the measure.

Applicants seeking county employment subsequent to the adoption of the amendment must qualify first in examinations conducted by the State Personnel Board.

This proposition DOES NOT include elective county officials.

In conclusion let it be said in behalf of the San Mateo County Employees that they are ONLY ASKING FOR WHAT IS FAIR—A CHANCE TO SERVE YOU, THEIR TAXPAYER EMPLOYERS, UNDER A MERIT SYSTEM WHICH WILL DEFINITELY STABILIZE COUNTY GOVERNMENT AND GIVE YOU MORE FOR YOUR TAX DOLLAR.

Let's be FAIR TO OUR EMPLOYEES BY VOTING FOR PROPOSITION NO. 6, THE CIVIL SERVICE AMENDMENT.

CALIFORNIA is in the WAR ZONE!

LEADERSHIP

IS THE VITAL NEED TODAY -- NOT POLITICS

"OLSONISM" Must End!

The time has come for Californians to back up the boys on the fighting front with unity on the home front.

This unity is impossible with the present political set-up at Sacramento. It is impossible with a Governor who cannot command the respect or cooperation of his own party and who quarrels even with the men who put him into office.

Unity at home cannot be achieved by a Governor who has refused to call the State Legislature into session . . . even though California is in the theatre of actual war and in spite of constant urging by citizens and cities throughout California. President Roosevelt, on the other hand, has insisted that the National Congress remain in continuous session—a measure vital to the survival of democracy and freedom.

Governor Olson has insisted that the State Legislature remain OUT of session . . . which means that the law-makers we elected to guide the destinies of

our State are powerless to act during the most perilous time in California history.

This is "Olsonism." It is dictatorship rather than leadership. California cannot stand another four years of such a political circus. The "Spoils System" must go, particularly during this hazardous time when we must present a united front to our Axis enemies.

Earl Warren will clean up the political mess in the State's humanitarian institutions and agencies. He will do something constructive about pensions for senior citizens . . . He believes in pensions as a matter of right, not charity. He will bring new confidence in State Government to California Labor, Agriculture and Industry.

Now, during the war, California desperately needs a leader with courage, ability and character. We will need the same type of efficient, non-partisan leadership even more after the war is won.

EARL WARREN IS THE MAN!

AT WOODROW

Elmer Yates, formerly of Firebough, is a new pupil in Room 8 at Woodrow School.

The War Stamp banner for the school was won by Room 8 with a total purchase of \$22.25 worth of war stamps.

Pupils of the high and low eighth grades of Room 5 saw two very interesting films last week, one about Guatemala called "The Land of the Eagle", and the other entitled "Touring Brazil".

Evie Lowe is a new pupil in the fifth grade who recently transferred here from Massachusetts.

Another new pupil at Woodrow is Jack Sorg who enrolled in the fifth grade. Jack formerly attended school in South San Francisco.

Allan Seiler and Bob Grimes are champions of the doubles handball tournament in the sixth, seventh, and eighth grades. They won the championship after taking a semi-finals match from Tommy Thimes and Eddie Gigli.

AT JEFFERSON

A big carton of furs was Jefferson's answer to the plea sent out by the Red Cross recently. The furs were turned over to San Francisco furriers who are giving their time and service to manufacture fur vests for the men of the Merchant Marine to protect them from the cold of winter seas. Big pieces and small, regardless of color, the furs will be sorted and dyed and made into warm vests and placed on board the ships going to the icy North. Within a week, Jefferson will proudly display an Award of Merit for the very fine contribution. Fifth graders were in charge of the drive.

Total amount of Defense Stamps and Bonds purchased by Jefferson students last week was \$131. "Class of the Week" was the Eighth grade, with an investment of \$69.

More than a gallon of keys have been collected at Jefferson. They have been placed in containers marked "Keys for Victory". Containers were prepared by Aldo Passagno and George Ricconi, sixth graders. The Sixth grade were the originators of the key drive but all classes are cooperating. Primary grades are staging a contest to see who will bring the most keys. So far, Bobby Golobic, second grade, is leading his classmates, having brought 61 keys.

Sixth Graders are making another outstanding contribution to the war effort in taking over the weekly tin can collection in this part of the community. Because of their enthusiasm, what was originally scheduled as the responsibility of all the students became their big job. They cover all of this area,

OBITUARY FOR A DOG

A tragedy of the week at Jefferson was the passing of Duke. There wasn't a child in the school who wasn't a friend and admirer of Duke. While he was always happy to be amongst them there was never a doubt in anybody's mind that Duke had eyes for anyone but his master. Yes, Duke was a dog and his great loyalty and affection belonged solely to his master, Jack Coon, eighth grade student. It is true that dogs are not permitted on the playground as a matter of protection to the children. But Duke was different. For years he would come to school in the morning with Jack, just be happy in his nearness until the nine o'clock bell rang. Then when everyone went indoors, he would stretch out in the middle of the yard and wait quietly until recess time, always running to meet Jack when he came out. He never intruded upon anyone's games. He would play if the children wanted him to or he would stand aside if they didn't want him. He was the pet of the school, well-mannered, quiet, well-behaved. He would go home with Jack at noon and return with him, then lie and wait

Court St. Mary
Announce Nov. Whist

Court St. Mary No. 1155, C. D. A., will hold a public whist, next Thursday, November 5, at 8:30 p. m. in Masonic hall. A short business meeting at 7:30 p. m. will precede the game.

Mrs. Christine Michelsen and Mrs. Evelyn Weckerle are co-chairmen of the whist.

Members of the organization were hostess, yesterday, at the Apostleship of the Sea, Navy USO club in San Francisco.

Mrs. Christine Lubker, chairman of the war stamp and bond sale, announces that the sale is very successful, with all the members of Court St. Mary No. 1155 buying as much as they can.

patiently until the end of the day when he would trot along contentedly at Jack's heels. But a reckless driver ended all this a few days ago. The school yard seems lost without Duke and he is sincerely missed by teachers as well as pupils and by the people of Colma generally, for everyone knew Duke as a fine example of loyalty and faithfulness.

Eymydian Institute
Hears Two Reports

Members of the study group of the Eymydian Institute No. 154, Y. L. I. of Colma, met, Monday evening, at the home of Inez Micheli.

Two reports, followed by discussion, were given. Rosemary Flanagan reported on "Proper Kind of Catholic Reading", and Imelda Laramie presented "Instructions on Rosary".

The Hallowe'en theme was carried out by the hostess, both in the way of decorations and delicious refreshments.

Study group members who were present were Mary Gianni, Rita Martini, Imelda Laramie, Lenore Varni, Raye Grondona, Mary Belli, Rosemary Flanagan, and Inez Micheli.

Tomorrow night, the entire organization will be hostess to Alberian Institute No. 93 of San Francisco and to Angela Institute No. 90 of San Bruno at a special Hallowe'en social.

ASK MARRIED WOMEN TO TRAIN

The war training office of Stanford university today issued a call for married women to take a free 12-week course designed to train them as chemical technicians and analyst.

"Single women will be admitted to the class, but we are finding that most of the qualified single women are already employed," says Professor Eugene L. Grant, director of the Stanford office. "Therefore, this is the married women's chance to step forward and train for her place in war production."

Jobs in chemical companies and food industries are already waiting for those who complete the training for chemical technicians, he said.

The class will begin at Stanford university, Monday, November 16,

and will be open to all women who are graduates of high school and who have had two years of mathematics and one year of high school chemistry. The women will attend classes and work in chemistry laboratories eight hours a day, five days a week for the training period. The course is tuition free and students will have to pay only for their books.

READING & WRITING

BY Edwin Seaver AND Robin McKown

TEXAS is the biggest state in our union, being one-twelfth the size of the United States. But that isn't the Lone Star State's only claim to fame by any means, Shine Philips tells us in "Big Spring."

SHINE PHILIPS

No matter what you are talking about, the author says, if a Texan's around he'll say that Texas has got the biggest or the tallest or the worst or the best of whatever it is. And he'll be pretty near right too.

Take weather, for instance. Where else can you find such hot weather and such cold weather, right on top of each other? "Folks like to yarn around down here about the fierce weather. A lot of fabulous stories turn up like the one about the mule team that was heading west on a terribly hot day in September when a norther came up. The lead mule froze to death and the mule at the end of the team died of sunstroke simultaneously!"

Another unique feature about Texas is loco weed, the qualities of which have eluded scientific analysis for years. Says Mr. Philips: "If a horse or cow happens to get a mouthful of it, they soon become addicts, and the things they do and the way they act after they get a shot of this stuff never has been seen anywhere else unless possibly at a convention of businessmen." Mr. Philips even brags about the Texas prairie fires. We have the biggest, hottest, wildest, most destructive prairie fires here ever held on earth, he says proudly.

"Big Spring" is the name of a West Texas town—"the biggest, little town in the U. S. A.," according to its inhabitants, and Shine Philips' book of this title is told as a series of reminiscences by the local druggist, who had lived there since the days when druggists only sold drugs, when doctors rode horseback to get to their patients because horse and buggy was too slow, and when every house had a hitching post in front of it.

Women didn't use cosmetics like they do now, though occasionally a blushing damsel would come into the store and ask for ten cents' worth of prepared chalk "with just a small tint of pink, please." ... And sometimes, Mr. Philips says, "a girl would put a drop of vanilla flavoring behind her ear and she would smell good enough to eat."

The cowboys liked their steaks well done in those days. "We didn't know it was to kill the bacteria but we knew it had to be cooked through to be safe." Once a cowboy ordered a steak and when it came on it was rare. He called over the widow who ran the restaurant and said, "Ma'am, I've seen cows get well that was hurt worse than this one."

One aspect of American life that has been firmly implanted in the mind of W. L. White's adopted daughter, Margaret (he wrote about her a couple of years ago in "Journey for Margaret"), is that everybody in the United States always gets his or her picture in the papers. When the five-year-old child was brought to this country from bomb-torn England, she was photographed on her arrival. When Life Magazine interviewed Mr. White some months back, she again saw her pictures in the papers. When she went to Emporia, Kansas, to visit her grandpa (William Allen White) she saw both grandpa's and her own picture in the papers once more. And with the publication of her daddy's new book, "They Were Expendable," which the Book-of-the-Month Club is distributing far and wide, she—you guessed it—saw her foster father's picture in the paper still again.

ASSEMBLIES

The foregoing week at Jeff has witnessed a variety of good assemblies... something to please everyone. There was the presentation of the film "Target for Tonight", which took two days to be shown. And the Indians of Rhythm had the gates swinging in the aisles at one of the assemblies. Last Friday, Anne Ashley, an 18-year old coloratura soprano, gave a delightful song recital. Another program that was well received was the one by Scott Newhall, editor of This World, San Francisco Chronicle.

AWVS juniors to date have sold over \$850 in war stamps and bonds at their booth at school. The heaviest day for the gals was Monday, October 19, when sales mounted to \$45 in just the one day.

Last Tuesday, the organization held a special meeting and selected officers. Anna Crossland is chairman; Shirley Rise, secretary; and Florence Jauch, treasurer. Membership in the group is on the steady rise and at the present rate, it won't be long until this organization is one of the largest in school.

The girls are getting in their apprenticeship hours through various means. Several are doing work for the Visiting Nurses' association of San Francisco. This consists of folding paper towels and other necessary work.

Still another group of Junior AWVS'ers are helping Mr. Parodi in the victory garden. Myrna Park and Ruth Basso are the leaders. Their assistants include Lois Clark, Theresa DeLeon, Hazel Hendrickson, Florence Jauch, Caroline Migliore, Wilma Cassassa, Alice Crossland, Gloria Bricker, Dolores Eaton, Virginia Adams, Roberta Miller, Eleene Johnson, and Frances Vaughn.

SPORTS

This afternoon the Girls Peninsula Athletic League is holding a meeting at 4 p. m. at the Palo Alto high school for all the presidents and their advisors. Representatives from Jefferson who will attend are Sophie Sikeotis, president of Jeff GPAL; Helen Oxley, secretary-treasurer; Miss Ella Redkey, and Miss Claire Nace, physical education instructors.

Because of this special GPAL meeting, there will be no life saving course given this afternoon at school, but classes will be resumed on the following Thursday.

There will be much powdering of noses and peering to mirrors today during all periods of girls' gym. The gals are having their pictures taken, in gym class, for the permanent school records. Also the GPAL is in charge of selling candy at the football games. The proceeds go to help pay for their awards.

"Adamant Eve"
To Open At Curran
Theatre, Nov. 2

When Eugene S. Bryden offers the international success, "Adamant Eve" at the Curran beginning, November 2, theatregoers will recall perhaps that in its original Paris (France) presentation, "Divorcons" (the Sardou French Comedy played for years with Grace George starred,) was entitled "Cyprienne," the name of the leading role. Under this and other titles it played practically every country of note in continental Europe.

"Adamant Eve", its present title, finds the famous Sardou brand of effulgent comedy, vieing with scintillating wit, as based by Francis Edwards on the original, and set to a musical comedy background by Henry Holt - Paul Schoop, brother of the famous Trudy Schoop, and a concert pianist of note, and Nilo Menendez, also a concert artist, at the twin pianos.

Carol Stone, last seen here in Noel Coward's "The Shadow Play" former leading player of White Horse Inn, on Broadway, "As You Like It," last season in New York, and "Irene", will be the "Cyprienne" of the Bryden production. Rex O'Malley, a Broadway and countrywide favorite, here recently in "The Man Who Came To Dinner"; Norma Varden, English Comedienne, Edward Cooper, Fred Essler, Stephanie Bachelor, Nora Chilton, Elmer Jerome and other Broadway players will enact the comedy under the direction of Eugene S. Bryden.

Of particular interest to feminine theatregoers, the costumes are as brilliant in conception as play and players are par excellence in acting—the period is the time of The Merry Widow. The France of 1890—clothes stylized in the Modern manner. Miss Stone's gorgeous white gown is a marvel of the dressmakers' art.

Catholic Ladies
Aid To Hold Whist

Mrs. Johanna Dillon has been named chairman of the regular monthly whist of Catholic Ladies Aid Society, Branch 59. The party is scheduled for Thursday afternoon, November 5, at 2 p. m. at St. Michael's hall, 32 Broad street.

Mrs. Dillon and her committee announce that a cash first prize will be given, with many other lovely awards. The public is cordially invited.

CARD OF THANKS

Mrs. A. L. Hilton and family wish to take this opportunity to thank their many friends and various organizations for their sympathy and kindness in their recent bereavement in the loss of her beloved husband, A. L. (Barney) Hilton.

SAFEWAY Homemakers' Guide

How to make Hallowe'en more fun

for youngsters and grown-ups, too

October 31, the eve of All Saints' Day reminds you of cider and doughnuts, witches, and Jack-o'-lanterns, and spells a Hallowe'en party to Americans of all ages. To fit into almost any Hallowe'en party scheme, Safeway's Homemakers Bureau has planned a 1942-style buffet supper menu with table decorations and a recipe that should appeal to children and adults alike.

HALLOWEEN BUFFET

Piping-hot Spaghetti-Meat-Cheese Casserole

(Your favorite combination)

*Pumpkin Coach Salad Centerpiece

Buttered French Bread and Rye Bread

Assorted Relishes

Home-baked Pumpkin Pie

Coffee Apple Cider

PUMPKIN COACH SALAD CENTERPIECE: Combine equal parts diced unpeeled red cooking apples, shredded cabbage, and shredded carrots, with 2 medium-sized celery stalks, finely sliced, and 2 to 3 finely chopped sweet pickles. Mix with enough sour cream salad dressing to moisten. Toss lightly to mix. Serve in hollowed pumpkin shell lined with crisp lettuce leaves. Serves 6 to 8.

To Carry Out Coach Ideas: Attach black cardboard wheels to pumpkin coach; have it drawn by catnip mice guided by strips of crepe paper or ribbons for reins, and driven by a cardboard witch or black cat, along a black crepe paper road across tablecloth.

OTHER DECORATIONS: You may want paper napkins and place cards to suggest Hallowe'en, and candlelight is both decorative and appropriate.

FOR ADULTS: Don't make too detailed entertainment plans. Bridge or gin rummy may be more popular with adults than Hallowe'en games, so let guests decide for themselves.

FOR CHILDREN: Bobbing-for-apples, ghost story contests, and fortune telling are traditional Hallowe'en games children will probably expect. A variation of an old game that's guaranteed fun is to blindfold guests and let them try to pin a witch or black cat onto a broomstick. This is the Hallowe'en version of pinning the tail on a donkey.

★ SAVE TIN CANS

Not just when you "happen" to remember but faithfully, every day, every can. Prepare cans properly and see that they get into the hands of one of the collectors in your neighborhood. Pupils of the district grammar schools are acting as collectors in this drive.

★ SAVE FATS AND GREASES

These are needed to aid in the manufacture of munitions. Take them to your butcher for sale when you have accumulated a pound or more.

★ ROUND UP ALL SCRAP METAL

Daly City will be having more scrap metal drives. Plan now to give as much scrap as you can find after carefully combing your house, basement and attic. The secret of increased production of war materials is a continuous flow of scrap.

TIPS ON THE DIMOUT

Q. I live in the Zone of Restricted Lighting, but not in those areas "generally visible from the sea." In our home we have a lamp next to an unshaded window. Does this lighting violate the new proclamation and if it does how can it be controlled?

A. Yes, that lamp would be a violation of the regulations. Window shades must be drawn in every room as low as the bottom of every light. This will prevent any light shining upward from the windows. Those persons who are uncertain how far their shades should be drawn, should pull down all shades in every lighted room in their home after sunset.

Q. There are wall brackets with candle shaped lights in them around our living room. These are visible out of doors when the window shades are up. Are these lights prohibited by the proclamation?

A. The lights themselves are not prohibited but they cannot be lighted unless all window shades in the room are drawn to the level of the bottom of the lowest light in the room.

Q. My porch light is on the wall of the porch. How can I comply with the new regulations?

A. It will be necessary to shield them on the outside with an opaque material so that no light goes outward above the lowest part of the lighted lamp. It is permissible to have the light reflect against the wall.

Q. Our house is in the so-called

dim out zone, an area visible from the sea. Does Proclamation No. 12 place any additional restrictions on lighting in our home?

A. Yes, people living in these areas visible from the sea, must not only shade those windows and doors which are visible from the sea, they must not permit any light to shine upward from any window, no matter what direction it faces. You, like all people in the entire Zone of Restricted Lighting, must pull the shades in every room, where lamps are lighted, as low as the bottom of the lowest lighted fixture. If this sounds confusing, pull down all shades in every room in which a light is burning.

Elect James Ferguson To Post As Director

When the San Mateo County Tuberculosis and Health association held its annual meeting, recently, in San Mateo, James Ferguson, principal of Jefferson Union high school in Daly City, was elected one of its directors. Approximately one hundred representatives from all parts of the county attended the session at the Benjamin Franklin hotel.

Assessed Valuation Shows Increase

Total assessed valuation of property in San Mateo county for the present fiscal year is \$132,353,000, compared with an assessed value of \$124,978,000 for 1941-42 and \$113,439,000 for 1938-39, California Taxpayers' association stated today following its study of trends in assessed values in California. Assessed values are the base upon which local property taxes are levied, the association pointed out.

Assessed value of all property in the state subject to the property tax totals \$7.7 billions for the current year, compared with \$7.35 billions for 1941-42 and \$7 billions for 1938-39, the association stated.

Mrs. Sarah Nordgren, chairman, announces that all arrangements have been made for this afternoon's Crocker P. T. A. popcorn sale. The sale will be held during the lunch hour at Crocker school.

Assisting Mrs. Nordgren with the affair are Mrs. Mildred Rasor and Mrs. Mildred Seiler.

Members of the sewing club and executive board met at the home of Mrs. Orville Pauw, 859 Hanover street, for a dessert luncheon, Tuesday.

It was reported that Crocker unit was well represented at the annual Father's Night, held at Jefferson Union high school auditorium, last Tuesday, October 20.

Pershing Unit Hears Mrs. Jensen

Mrs. Stella Jensen, Seventeenth district C. C. P. T. president, will be the guest speaker at the regular meeting of General Pershing, Tuesday. The meeting will convene at 1:30 p. m. and all members are urged to attend.

Mrs. Margaret Clarke's class will put on the school entertainment for the ladies.

The public was again reminded by Mrs. Vera Cerrito, chairman, that rags are being collected by the children for the P. T. A. today and tomorrow. They are to be brought to the school.

Plans for the annual Hallowe'en party, scheduled for Friday afternoon, October 30, are near completion. Mrs. J. Delucchi is in charge of the party. A committee of members is assisting her with the arrangements.

The ladies announce that games, booths, and refreshments are being planned for the children's enjoyment. All school children of General Pershing will take part in the afternoon event.

Members of the local unit announced today that the school cafeteria will be opened to the children on Monday. Members of the P. T. A. will be in charge of the cooking and serving.

Meatless menus starring hot vegetable plates are due for increased popularity this fall when the kiddies are back in school. Then more than ever, their meals must abound in foods that provide energy and protective health essentials and vegetables have long had a reputation for furnishing these elements.

There's a difference in the preparation and taste appeal of vegetables, however, and that difference is frequently the result of the use of lemon juice either in the cooking or in providing generous garnishes at the table. These accompaniments bring out a garden fresh flavor and add color contrast at the same time.

When used in vegetable preparation, lemon juice helps to restore the vitamin loss often sustained in open cooking for lemons are a foremost source of vitamin C, are a good source of vitamin B, contains some vitamin A, and are the only known source of vitamin P, or citrin. Three other cooking secrets for bringing out the best in these foods are: First, be sure not to overcook the vegetables. Second, cook in as little water as possible. Third, season with care. When these simple rules are observed, these healthful foods are sure to retain their bright colors and their original shapes — both extremely important factors especially when serving foods to children.

Hot and cold foods were selected for the vegetable plate illustrated.

It combines creamy cottage cheese on a crisp lettuce leaf, raw carrot fingers, baked potato, buttered green peas, Sunkist spinach, and Harvard beets. The attractive lemon garnish and squeezable lemon quarters which accompany the vegetables offer extra juice to those who desire more lemon flavor. This plate may be taken as a guide in planning other popular vegetable combinations. Recipes for two of the foods follow:

Sunkist Spinach

Clean thoroughly 2 pounds fresh spinach. Place in a kettle without water, adding ¼ cup cooking oil and ½ tablespoon salt. Mix thoroughly, cook 8 to 10 minutes. Stir or lift occasionally. Drain and chop. Add 2 tablespoons lemon juice. Serve garnished with lemon quarters. Other greens may be cooked by the same method.

For canned spinach, add 3 tablespoons cooking oil to one No. 2 can. Season to taste. Heat thoroughly. Add 2 tablespoons lemon juice when ready to serve. Serves 4.

Harvard Beets

Mix well and boil for 5 minutes the following: ½ cup sugar, ½ tablespoon cornstarch, 4 tablespoons lemon juice, ¼ cup water and 2 tablespoons cooking oil. Then add 2½ cups fresh cooked beets or one No. 2 can of diced or shoe-string style cut beets. Let stand over a low flame until thoroughly heated.

Bethel 26 Plans Hallowe'en Dance

"If you want to have a really good time, come to the big Hallowe'en dance to be held by Bethel No. 26, Order of Job's daughters," said committee members for the event.

The dance will start at 9 p. m. tomorrow evening, October 30, at Mission Masonic hall, 2668 Mission street.

Funeral Services For Lester Wheeler

Funeral services for Lester H. Wheeler, 22, of 1127 Brunswick street, who died Saturday in Stanford Lane hospital, San Francisco, following a short illness, were held at 2 p. m. Tuesday at the W. C. Lasswell and company chapel with interment at Cypress Lawn Memorial Park, Colma.

Wheeler is survived by his widow, Mrs. Alvena Wheeler, and a sister, Mrs. Frances Armintrout of Daly City.

RED CROSS

Pointing out that the American Red Cross is the only agency authorized to collect and distribute blood plasma for the United States armed forces, Mrs. George Montgomery, chairman of the county Red Cross blood donor service, revealed that there is an urgent need for more blood plasma.

To date only one Colma and two Daly City residents have donated blood, her report showed. She said that appointments are now being taken for Thursday, November 5, and Saturday, November 7. At those times the mobile blood donor unit will be at the Julia Beylard hall, Baldwin avenue, San Mateo.
